INITIATIVES

2019 - ongoing
> Member of z o m e r k a m p collective
z o m e r k a m p is an assemblage of seven women
who explore what it means to have a collective practice
at this moment in time. We share the insight and
tools we have assembled as a collective by hosting
programmes and in the act of facilitating.

INITIATIVES

2010 - 2017
> Studio Nieuwland
International research based design studio

INITIATIVES

2011 - 2016
> Co-curator at Satellietgroep
Satellietgroep is an international network
organisation which has an embedded art and
culture approach in doing participating research
into the sea, coastal communities and environment.
